Attention

Please note that IDEAL PRODUCTS model no# 61-059, sold since January 2011 is being recalled due to being unapproved by the proper certification organizations.

Please stop using and/or selling of this product.

If you have received this unit from us after January 1st please do the following:

- Stop the use of this product
- Check to see if the unit has the marking "cULus" on it. If it does not contact us immediately to arrange to have it returned.

Also as an alternative to the customers affected we can offer you the Ideal model no# 61-165 (Suretest Circuit Analyzer) which is a much higher grade product at a reduced price to help those users that still need this type of product because of this inconvenience.

If you have any questions or problems please let us know.

We apologize for any and all inconveniences that this has caused you.

Yours Truly
