Smart Meters and Time of Use

Halton Hills Hydro has almost completed installation of smart meters for every residence and small business in Halton Hills. There are still a few meters left to be changed. If you have not yet had your smart meter installed, please call today to make an appointment.

We will be implementing a customer web portal which will provide you with detailed information on your energy usage patterns and compare costs under the current rates to what they will be under Time of Use. Visit our website for updates. The new portal will be launched in early 2011.

Remember, Time of Use pricing is NOT yet in effect in Halton Hills. Time of use pricing will start in mid 2011. We will send you more information before Time of Use pricing starts.

Energy Contracts *What You Should Know...*

- Halton Hills Hydro does not go door to door to sell electricity.
- Compare the price you are currently paying to the contract price. If you buy from an electricity retailer, the Provincial Benefit will show as a separate line on your bill.
- Do not show your bill to anyone at the door unless you are prepared to sign a contract.
- Make sure you understand the terms of the contract including term and cancellation fees before you sign.
- Remember, the choice is yours, you are never required to sign a contract for electricity.
