Understanding your Residential Electricity Bill

Your Time-of-Use Schedule Changes November 1st, 2012

- ✓ Starting November 1st, the Time-of-Use winter calendar takes effect.
 - Note the change in mid and on-peak times
- ✓ Remember, weekends and holidays are always all Off-Peak.
 - The official list of holidays for 2012/2013 is available on our website
- ✓ Try shifting some of your energy use to off-peak periods to reduce your costs.
 - Clean or replace the furnace filter once a month to keep it operating efficiently
 - Use weather stripping around windows and doors to reduce drafts
 - Set the furnace fan switch to "automatic" instead of "on" or "continuous"
- ✓ Visit www.haltonhillshydro.com for more energy saving tips.
