saveONenergy^{OM}
FRIDGE & FREEZER PICKUP

Save up to **\$125 a year on your electricity costs by getting rid of your old, energy guzzling fridge or freezer. We'll pick it up and recycle it. FREE of charge.**

To qualify, you must have a full-sized refrigerator or freezer that is:

- 20 years of age or older
- between 10 and 27 cubic feet
- in working condition (plugged in 24 hours prior to pick up)

Plus, if you have at least one fridge or freezer collected, we'll also pick up your old qualifying window air conditioners and dehumidifiers.

Call the fridge and freezer pickup line **1-877-797-9473**

saveONenergy^{OM}
HEATING & COOLING INCENTIVE

Save up to \$325 a year in energy costs when you replace your inefficient heating and cooling systems with ENERGY STAR[®] qualified units*

You can receive up to \$650 in incentives when you participate in the heating and cooling incentive.

With as much as 60% of an average home's energy use going towards heating costs, it makes sense to consider energy-efficiency of your furnace and central air conditioning units.
