

## Board of Director Vacancy

Halton Hills Community Energy Corporation (HHCEC) is owned by the Town of Halton Hills, and is the holding company for its three subsidiaries: Halton Hills Hydro; SouthWestern Energy; and Quality Tree Service. Its purpose is to provide oversight and corporate governance for its subsidiaries and drive the Town's community energy plan.

**Halton Hills Hydro Inc (HHH)** is a progressive electric distribution utility servicing the Town of Halton Hills. At HHH, safety for our employees and the community is our number one priority; we care about our work, our customers, and our business. We have a commitment to delivering quality service and each member of our team has a responsibility to help one another achieve success and satisfaction on the job, experiencing one of the highest growth models in all of Ontario.

### POSITION

We are currently seeking qualified applicants for Board of Director position for **Halton Hills Hydro**. As a member of the Board your experience and passion will help the Board achieve their goal to increase diversity and inclusive representation on each Board. You will also bring to the table the required mix of knowledge, skills, and experience that will contribute to a well-rounded Board of Directors.

### QUALIFICATIONS AND REQUIREMENTS

Candidates must be a Canadian Citizen and a current resident of the Town of Halton Hills, who can commit to regular attendance at scheduled and ad-hoc meetings, typically held during normal business hours. Applicants must possess a reputation for honesty, having integrity, being objective, demonstrating strong interpersonal skills with an inquiring mindset, and make sound, independent judgements.

### SKILLS/KNOWLEDGE/EXPERIENCE

- Prior Board experience in a for-profit corporation, is preferred;
- Experience leading a complex organisation(s) is an asset;
- Ability to focus on strategic initiatives and visionary planning of corporate operations and safety, including risk management;
- Continuous improvement in business segments, including excellence in customer service;
- Demonstrated change management advocate within a competitive environment;
- Related knowledge and experience in any of the following:
  - Knowledge of corporate governance and structure;
  - Government and regulatory agencies;
  - Electricity distribution and generation;
  - Environment, social, and governance (ESG) principles;
  - Understanding of business development and business management;
  - Industry knowledge of the appropriate affiliate's main business activities and markets;
  - Corporate finance and accounting (CPA preferred);
  - Human Resources and workplace health & safety;

- Practice of Corporate Law;
- Corporate sales, marketing, and communications;
- Energy industry experience; and
- Community awareness and involvement.

Qualified candidates are invited to apply in confidence by submitting their CV and cover letter via email, and indicate in the subject line **BOD HHH** by end of business day **Friday, March 10, 2023**:
